Professional Experience

Freelancer • June 2008-Present

Freelance Web Designer and Front End Developer for variety of clients such as Zinio.com, Telcentris and Aquent, concurrent to my full-time studies at Platt College. Designed and Coded Marketing materials, eBlasts, email Newsletters, Presentations, Websites, Company Blogs, Graphics and developed magazines for the iPad.

Coughlin Stoia Geller Rudman & Robbins • June 2006-June 2008

Presentation Designer and Multi-Media Artist for large law firm that specialized in securities litigation. Created all presentation graphics with PowerPoint and Flash, set up equipment for trials, hearings and jury selection. Also acted as trial support.

Studio Gigante – http://www.studiogigante.com • January 2002-May 2006

Character animator for video game company. Responsible for editing motion capture data and key framed animation for fighting games on the Xbox platform until studio went out of business.

ABCNEWS.com – http://www.abcnews.go.com • May 1999-December 2001

Web designer, Info-graphics artist and Flash animator. Responsible for original illustrations and web animations for current news events. Creation of maps and business charts as well as retouching of photographs with Photoshop.

Wall Street Journal Interactive – http://www.wsj.com • August 1997 -May 1999

Web designer and Info-graphics artist. Created all Info-graphics and 3D graphics for Wall Street Journal and Barrons web site. Responsible for original illustrations, charts and business graphs. Also responsible for all interactive animations.

Fortune Magazine • January 1994 -July 1997

Full time freelancer. Functioned as a magazine designer, illustrator, info-graphics artist and creator of many icons for their Compuserve site. Responsible for charts and graphs as well as software and hardware upgrades. Attended editorial meetings and worked closely with writers and photo editors. Also trained staff in software usage.

Freelancer • February 1992 -August 1997

Worked as a successful freelancer in many different environments functioning as a graphic designer, illustrator, 3D artist, info-graphics designer, Flash animator or production artist.

My clients have included:
BusinessWeek, Family Life, Fortune Magazine, Men's Journal, Rolling Stone, Travel & Leisure, US Magazine, Bestoni & Barnes, Byron Preiss Multi-Media, Frank Hoffman–Gross Townsend, McCaffery & McCall, Ogilvey & Mather, Rapp Collins & Marcoa, S.J. Weinstein, Sudler & Henessey.
